FOR IMMEDIATE RELEASE (To all media houses)

NOTICE OF INTENDED STRIKE ACTION

The leadership of Colleges of Education Teachers Association of Ghana (CETAG) wishes to serve notice of the Association's intention to withdraw its services **across all the 46 public colleges of education come 6th January, 2022**. The intended industrial action is grounded on the following:

1. CETAG and the Government signed a Memorandum of Understanding (MoU) on 24th September, 2021 after reaching agreement through negotiation on 2017-2020 Conditions of Service (CoS) for members of the Association.
2. The said MoU contained the effective date of implementation as January 1, 2021 while payment of associated arrears of nine (9) months were to be paid in October, November and December 2021.
3. The months of October and November 2021 ended without any payments being made to members of the Association.
4. CETAG members are anxiously and patiently waiting for full payments of the agreed allowances (January 2021 to December 2021) at the end of December 2021 without which the Association shall activate its intended strike action.

We, instructively, therefore serve notice that **CETAG members across all the 46 Colleges of Education have resolved to embark on indefinite industrial action effective January 6, 2022** in response to Government's violation of the signed MoU as well as the roadmap for the payment of the agreed allowances, if the said payments are not made in full at the end of December 2021.

Thank you.
